Education

- 2012-2014 Master degree in journalism – with photography as a speciality at the academy Dolnośląska Szkoła Wyższa in Wrocław
- 2009-2012 Bachelor degree in political science at Pedagogical University in Cracow
- 2005-2008 High School in Niepołomice

Experience:

December 2016 - Now

Front-end and Wordpress Developer in Ryanair company. I am maintaining existing Ryanair Public Image websites, developing new features for them and creating new WP-based websites for Ryanair.

May 2016 - September 2016

Front-end and Wordpress Developer in Activebytes company. I was taking care of Wordpress Agency brand (Agencja Wordpress) and I was mostly building Wordpress websites for commercial clients, including e-commerce websites.

May 2015 – May 2016

Front-end and Wordpress Developer at SimpliGo. I was building set of websites based on Wordpress CMS for over a dozen of trademarks held by SimpliGo.

Technologies:

- HTML – very good
- CSS – very good
 - SASS
 - Stylus - preferred
- jQuery – good

- JavaScript (ES6, TypeScript, React, Angular) – medium, but became my main focus recently
- PHP – basics needed for wordpress theme development.

Skills

- Experienced with wordpress migrations to various servers and clouds (AWS, Azure, WPEngine, dedicated servers, PaaS etc.)
- Photoshop - cutting layouts, preparing simple graphics, banners, optimizing photos
- Wordpress/Webapps optimization - not a ninja, but I know good practises
- SEO - same as above
- Currently focused on front-end techniques, interacting with REST API etc.

Foreign languages

English – C2 - fluent written and spoken

Hobbies

- motorcycles
- press/travel photography
- travelling - I run travel blog with my wife: <http://gdzietelolki.pl>
